

CYBERSECURITY LEADER - TRAINER - CONSULTANT

Fook Hwa Tan

Helping people be safe in a digital world.

PROFILE

Chief Quality Officer at Northwave Cybersecurity with more than 20 years of experience across information security consulting, audit, team leadership, managed services and executive quality. Fook Hwa translates standards and risk into practical systems that help organisations make clear decisions, remain resilient and keep their promises under pressure.

CURRENT FOCUS

INTEGRATED GOVERNANCE

Quality, security, privacy, continuity, risk and compliance working as one system.

TRAINING & SPEAKING

Practical learning on ISO standards, audit, resilience, digital trust and AI governance.

CYBER RESILIENCE

Helping leaders protect what matters and keep operations moving when conditions change.

Protecting systems matters. Protecting promises is the purpose.

Broad perspective. Practical focus.
